

# EASE Strategic Direction Report 2026

**Type:** Annual Report | **Date:** January 02, 2026 | **Author:** Dawda Wally

This comprehensive strategic direction report outlines EASE's vision, mission, and strategic priorities for the coming years. The report details our commitment to empowering communities through education and agriculture, our program structure, and our approach to sustainable development.

Key strategic priorities include:

- Expanding educational support to reach more students
- Strengthening agricultural development programs
- Building community capacity and resilience
- Ensuring transparency and accountability in all operations
- Fostering partnerships for greater impact

The report also outlines our organizational structure, governance framework, and commitment to continuous improvement.
