

Quarterly Program Report: Education & Capacity Building

Type: Quarterly Report | **Date:** October 04, 2025 | **Author:** Mariama Njie

This quarterly report focuses on EASE's Education & Capacity Building program, detailing activities, outcomes, and impact.

Program Activities:

- Student Scholarship Program: Supporting 250 students
- Skills Training Programs: Vocational and digital skills training
- Mentorship Programs: One-to-one mentorship for students
- Educational Support: School supplies, fees, and materials

Key Outcomes:

- High student retention rates
- Improved academic performance among scholarship recipients
- Successful skills training graduation ceremonies
- Positive feedback from students and families

The report includes program statistics, success stories, and plans for program expansion.
